Plaintiff objects to removal of this case from the San Francisco Superior Court and Judge to the proposed Judge Thomas S. Hixson due to conflicts of interest.

Defendants filed a NOTICE OF REMOVAL from San Francisco Superior Court case number CGC-22-598704. . Filed by United States of America. (Attachments: # (1) Civil Cover Sheet, # (2) Exhibit, # (3) Exhibit)(Samples, John) (Filed on 4/19/2023) . Plaintiff is informed that that was done by

Defendants in order to remove the case from a Republican Party Judge, and place it before a Democrat Party Judge in order to create bias against Plaintiff. As 90% of those charged with crimes in this matter are Democrat Party public officials and their financier/beneficiaries, as proven by their financial records, this is a violation of Plaintiff's rights and of the Constitution. Additionally, much work has been undertaken in the San Francisco Superior Court and The Northern District Court Judges have shown bias, personal relationships and stock ownerships which cause a conflict of interest in each matter.

Plaintiff objects to Magistrate Judge Jurisdiction.

This case involves criminal charges of corruption, money laundering, quid pro quo payola and other crimes by the Democratic National Committee and their members, financiers and associates in political election manipulation schemes. The proposed new Court parties in this case have friendships with the perpetrators charged in this case. They, and their family members, own stocks in AIG, VALIC, ESG and other quid pro quo stock market outlets which are used to pay bribes to public figures. This case should be returned to the Republican Judge in the San Francisco Superior Court or a Republican Judge in the NORTHERN DISTRICT OF CALIFORNIA should be assigned.

This case should remain in San Francisco Superior Court.

DATED this day of the filing of 2023

Respectfully submitted,

(SIGNED ELECTRONICALLY)
